

All of the production data on this page is derived from the Oklahoma Tax Commission Master and Detail Production files and contains both gas and oil.

None of the data represented here is obtained, entered or modified by Pangaea Datacom, LLC. Current Data includes the OTC's latest monthly update from mid-June 2025.

The well data returned on any of the search mechanisms on this page is representative of only those leases from the Tax Commission's files that have production attributable for any single or multiple months subsequent to July 1 of 1990.
